MIRROR

Diana Olifrova

2014, 03:00

Every time we watch a film we project ourselves onto the screen. Sometimes it turns into obsession which has no exit. This is an exploration of the infinite, absorbing nature of cinema.

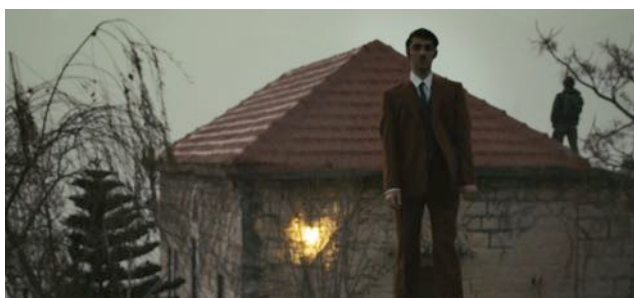

I, THE MEMORIOUS

Nizar Sfair

2014, 18:00

Set amidst the restless milieu of the Middle East, *I, The Memorious* explores the world of ghosts, chronicling a spiritual, abstract journey of a lonely soldier searching for his love.

TOTAL MOON

Sophia Savage

2015, 14:37

Total Moon follow the Maas siblings as they bring their sister home to Big Sur after a suicide attempt, and struggle to reintegrate her into their unusually intimate way of life.

TRICKSTER

Tessa Power

2015, 13:00

Trickster takes the viewer on an extraordinary journey with two hunters – a deerstalker and a trickster – who patrol a semi-fictional landscape until the trickster causes his own demise.

THE DUMDUM CAPITOL OF THE WORLD

Holly Hey

2014, 21:00

A first-person experimental documentary that contemplates landscape, home, memory, queerness, and time, the project illuminates social constructs about sexuality and instinct.
